

1996-06 CHRYSLER SEBRING CONVERTIBLE TOP

Marked for ease of installation

Rain gutters above doors

Feature Top

We manufacture the Sebring top in the original style (Top & Hard Glass) as well as an economy version (top w/plastic window heat sealed into the top). The top is offered in Sailcloth vinyl and Stayfast cloth (original style only). Installation instructions and tips are included. All Kee tops come with an 8 yr. warranty.

Order any Sebring top & window Original Style or Economy during May and receive a discount.

TRIMMER TIP

#4134 2006-12 Mitsubishi Eclipse Spyder

Kee R&D Department

Before you begin installation check to see where the straps beside the driver and passenger door are fastened to the frame. It's important to fasten the two straps to the frame on each side of the cable sleeve. It keeps the sleeve in place and prevents it from pulling away from the top. The straps will not be seen after installation. This will also prevent the top from rising up on each side at the driver and passenger windows.
